THEMED BIRTHDAY PARTIES

Our themed Birthday parties provide a fun, interactive and informative agricultural experience for all ages. Our farm atmosphere allows everyone to relax and take in the wonders of life on the farm.

Choose from two unique themed programs. Each program provides a party host to coordinate the planned activities.

THE

PIZZA FARM

This actual 120ft diameter Pizza pie shaped farm has eight slices of either row crops or animals representing the toppings of a pizza.

This tour shows children of all ages where our food comes from in this fun interactive live demonstration.

Experience farming by seeing how we get the ingredients and toppings for your pizza pie.

Once around the Pizza Farm, each child will go to our planting station to plant a Tomato plant to take home.

At the conclusion of the tour, you will board onto a tractor drawn wagon to tour the farm.

Tour is approximately 1 hour.

HAVE LUNCH ON THE FARM

You may bring in your own food or we can arrange the food for you.

We offer a Pizza lunch that includes 2 slices of pepperoni pizza, fruit punch, cups and plates per person. We will arrange to have the food ready when you are ready to eat.

Lunch Program \$ 4.00 per person

ADVENTURE AGRICULTURE

ANIMAL, VEGETABLE, MINERAL

This tour takes the group to our animal farm, allowing hands on interaction with the animals. Here we explain and demonstrate the care and maintenance from feeding to composting.

Next the group enters our gemstone mining camp where every child has an opportunity to mine for gems while we collect the minerals to use to mix with our compost.

After we have collected the necessary elements to sustain plant life, we board onto a tractor drawn wagon to tour the farm.

At the conclusion of the tour, all children will plant a Tomato plant using the mix we collected to take home.

Tour is approximately 1 hour.
